About the Club

Established in 1886 Warrington Photographic Society is Warrington's oldest camera club. It serves to encourage development of its member's skills & interest in producing, developing and manipulating images of all genres. During summer months we meet for a number of informal events which offer a variety of photo opportunities from nature and wildlife through to sporting events.

Although not a teaching organisation the society has a wealth of experience in all aspect of image creation and we encourage photographers of all abilities to come along and share their work and experiences.

The Society is affiliated to the LCPU, which provide panels of judges and lecturers which are used during the programme. It also sends a selective entry of prints and projected images to the annual competition organised by the Photographic Alliance of Great Britain PAGB. The results are exhibited annually as the best of British Photography of the year.

Meeting Venue

The Society meets on alternate Tuesday evenings at:- St.Johns United Reformed Church, Small Hall, Wilderspool Causeway in Warrington.

Doors open at 19.00 and the meetings starts at 19.30 until 22.00

St.John's United Reformed Church
